

This is a notice issued by the Bardhaman University regarding the admission rules and regulations for the first semester of the undergraduate (UG) level for the academic year 2023-24. The notice states that all students who have passed the 10+2 level examination from a recognized board/university in 2020/2021/2022/2023 are eligible for admission in the first semester of the first year of BA, BSc, and BCom (Hons & General) courses.

For admission to the honors courses at the UG level, students must have secured a minimum of 45% marks in the aggregate in the 10+2 level examination. However, for Music and Santhali subjects, the minimum percentage required is 40%. Students who have passed the 10+2 level examination, irrespective of their stream, are eligible for admission to the General courses at the UG level.

The notice also mentions that all state government guidelines related to admission and retention must be followed.

Students who were admitted to the first semester of the first year in the WET program in the 2022-23 academic year and did not fill out the examination form after registering at the university, may still be considered eligible according to the university's admission rules. If they secure a place on the merit list with a minimum of 80% in Intake 0404 in any college under this university, they can be admitted to any course in the first semester of the first year at the same college as many times as they want without re-admission. They will not need to register again, and their previous Registration-2 will remain valid. They only need to fill out the enrolment form and upload a self-declaration of the reason for their admission.

5) a. To be admitted to the Economics (Hons) course, one must have passed the Mathematics/Business Mathematics subject in the Higher Secondary (10+2) or equivalent examination with acceptable marks from any recognized council, board or university. To be admitted to the Nutrition (Hons) course, one must have passed the Chemistry subject in the Higher Secondary (10+2) or equivalent examination with acceptable marks from any recognized council, board or university.

b. To be admitted to the BSc in Bio-Chemistry (Hons) and BSc in Biotechnology (Hons) courses, one must have passed the Physics, Chemistry, and Bio-Science/Mathematics subjects in the Higher Secondary (10+2) or equivalent examination with acceptable marks from any recognized council, board, or university.

To be admitted: If student-athletes who have participated in sports at the intercollegiate/national level have at least 45% marks in the first semester of the first year of the Sports quota course, with a valid certificate of participation in the respective sport at the district or national level, they will be eligible for admission in the first year. In other cases, for each subject, there will be a reserved seat for the Sports quota. Applicants will be selected based on this criterion, and the selected student must belong to the same category from which the seat is reserved (with Pass Marks).

8) All students who have passed (10+2) or equivalent RF vocational agriculture will be eligible for admission to B.A./B.Sc. program.

9) All students who have passed (10+2) or equivalent vocational Business & Commerce examination will be eligible for admission to B.A./B.Com (General)/B.Com (Hons) program.

10) Subject Eligibility for Hons. Program:

1. Accountancy/Finance: Accountancy/Mathematics/Statistics/Computer Sc/Business Math & Statistics/Vocational Business & Commerce 2. Anthropology: Anthropology/Biology 3. Arabic: Arabic 4. Bengali: Bengali 5. Bio-Chemistry & Bio-Technology: Physics, Chemistry & Mathematics & Biology 6. Botany: Bio-Science and Chemistry 7. Chemistry: Chemistry, Physics and Mathematics 8. Computer Science: Computer Science/Mathematics/Statistics/Vocational Engg. & Technology 9. Economics: Passed in Mathematics/Business Mathematics 10. Education: No subject bar 11. Electronics: Electronics/Physics, Mathematics and Chemistry 12. English: English 13. Environmental Science: Environmental Sc/Bio-Science, Chemistry/Physics 14. French: No subject bar 15. Geography: Geography 16. Geology: Geology/Physics, Chemistry and Mathematics 17. Hindi: Hindi 18. History: No subject bar 19. Mass Com& Journalism: No subject bar 20. Mathematics: Mathematics, Physics and Chemistry 21. Micro Biology: Bio-Science and Chemistry 22. Music: No subject bar 23. Nutrition: Nutrition and Chemistry/Bio-Science and Chemistry (mandatorily passed in Chemistry at 10+2 level) 24. Philosophy: No subject bar 25. Physics: Physics, Chemistry and Mathematics 26. Physiology: Bio-Science and Chemistry 27. Political Science: No subject bar 28. Psychology: Psychology/English (for BA), Psychology/Biology (for BSC) 29. Sanskrit: Sanskrit 30. Santali: No subject bar 31. Sociology : No subject bar 32. Statistics: Statistics/Mathematics, Physics and Chemistry 33. Urdu: Urdu 34. Zoology: Bio-Science and Chemistry

11) male and female students passed the (10+2) or equivalent examination with Vocational Home Science and they will take admission in the B.A. (General) course.

12) Those foreign students who have passed the degree/(10+2) or equivalent examination from an approved foreign university/board can get admission to any subject-based course at the undergraduate level in any college outside the maximum number of seats by 2.

13) Students who have passed the CIE exam from Cambridge University are eligible to enroll in the first semester of the first year in any college approved by this university. In this case, they must pass at least three subjects from 'O' Level and two subjects from 'A' Level. For admission to mandatory courses in any of these levels, having an English subject is essential. Those who have passed all four subjects separately (each subject with full marks) have the opportunity to enroll in 5% of the seats at this university.

14) Candidates who have passed the higher secondary (10+2) or equivalent examination with the highest score from a Board/Council/University at the honours/general level will be considered for the merit list with a maximum score of 100. In the case of laboratory-based subjects, a grade of A is required for 006917 and practical-4.

15) a) To prepare the merit list, the total marks obtained in the four subjects with the highest scores (each with a full mark of 100) in the Higher Secondary or equivalent examination will be taken into consideration, and the marks obtained in the subject for which one applied with the code 05 will be added to create the merit score. According to the rules, for eligible students who have applied for Honours in a subject, whether they have studied that subject in the Higher Secondary or equivalent examination or not, the marks obtained in the applied Honours subject will be considered for determining the merit score. The subject to be considered for determining the marks obtained in the applied Honours subject is listed below with code 223.

Table showing the subject at 10+2 level, marks of which is to be considered for calculation of merit score

Here is a list of subjects and their corresponding 10+2 level subject requirements for calculating merit score:

1. Accountancy/Finance: Accountancy (if not available, Mathematics/Statistics/Computer Sc/Business Math & Statistics/Vocational Business & Commerce) 2. Anthropology: Anthropology (if not available, Biology) 3. Arabic: Arabic 4. Bengali: Bengali 5. Bio-Chemistry & Bio-Technology: Physics, Chemistry & Mathematics & Biology 6. Botany: Bio-Science 7. Chemistry: Chemistry 8. Computer Science: Computer Science (if not available, Mathematics/Statistics/Vocational Engg. & Technology) 9. Economics: Economics (if not available, Mathematics/Business Mathematics) 10. Education: No subject bar 11. Electronics: Electronics (if not available, Physics, Mathematics and Chemistry) 12. English: English 13. Environmental Science: Environmental Sc/Bio-Science, Chemistry/Physics 14. French: No subject bar 15. Geography: Geography 16. Geology: Geology/Physics, Chemistry and Mathematics 17. Hindi: Hindi 18. History: No subject bar 19. Mass Com& Journalism: No subject bar 20. Mathematics: Mathematics, Physics and Chemistry 21. Micro Biology: Bio-Science and Chemistry 22. Music: No subject bar 23. Nutrition: Nutrition and Chemistry/Bio-Science and Chemistry (mandatory to pass in Chemistry at 10+2 level) 24. Philosophy: No subject bar 25. Physics: Physics, Chemistry and Mathematics 26. Physiology: Bio-Science and Chemistry 27. Political Science: No subject bar 28. Psychology: Psychology/English (for BA), Psychology/Biology (for BSC) 29. Sanskrit: Sanskrit 30. Santali: No subject bar 31. Sociology : No subject bar 32. Statistics: Statistics (if not available, Mathematics, Physics and Chemistry) 33. Urdu: Urdu 34. Zoology: Bio-Science

Each applicant's merit score for BA/BSc/BCom (Hons.) 1081811116 will be

calculated based on a total of 100 points for each of the four subjects.

In case of a tie, the following tie-breaking procedure will be followed for the top 9% of applicants: * STEP-I: The marks obtained in the Hons. subject applied for, will be added to the original merit score of 300:3. If the applied Hons. subject is not available in the list of subjects studied at 10+2 level, then the marks obtained in the subject mentioned in the list will be considered. After this, if there is still a tie, * STEP-II: The highest marks obtained in the 1st best subject out of the top 4 subjects (each with a total score of 100) in the merit score of 300:0 will be added. If there is still a tie, * STEP-III: The marks obtained in the 2nd best subject out of the top 4 subjects (each with a total score of 100) in the merit score of 300:0 will be added. If there is still a tie, * STEP-IV: The marks obtained in the 3rd best subject out of the top 4 subjects (each with a total score of 100) in the merit score of 500:3 will be added. If there is still a tie, * STEP-V: The marks obtained in the 4th best subject out of the top 4 subjects (each with a total score of 100) in the merit score of 500:3 will be added.

9) Tie Breaking in the Merit List of BA/BSc/BCom (General) programme:

In case of a Tie among multiple candidates in the merit score list, the following steps will be taken to break the Tie:

STEP-I: The total marks obtained in the best 150 subjects (out of 400 marks) of the 4 subjects where the candidate scored the highest will be added to the original merit score of 500. If there is still a Tie, then proceed to STEP-II.

STEP-II: The total marks obtained in the best 4 subjects (out of 400 marks) where the candidate scored the highest will be added to the total merit score of 1000. If there is still a Tie, then proceed to STEP-III.

STEP-III: The total marks obtained in the best 3 subjects (out of 300 marks) where the candidate scored the highest will be added to the total merit score of 5000. If there is still a Tie, then proceed to STEP-IV.

STEP-IV: The total marks obtained in the best 4 subjects (out of 400 marks) where the candidate scored the highest will be added to the total merit score of 400. The subject in which the candidate scored the 4th highest marks will be considered. If there is still a Tie, then the decision will be made by the admission authority.

16) For admission in the first semester of the first year, a student will be selected for a college based on their merit score, and they will only be allotted a Honours subject in that college through the central online [001081] system. The student will later choose their generic elective subject by going to the designated college. In the case of [00850], subject selection must also be done at the designated college through the portal-4F [BA/BSc/BCom (General)] program. In both cases, subject selection must be made according to the admission manual of the designated college.

17) If a student wants to cancel their admission after being admitted in the 2023-24 academic year, they will have to follow the directives of the UGC and the Department of Higher Education, Government of West Bengal regarding admission cancellation.
