

The subject combinations, as well as the course structure and credit requirements, are applicable to the B.A., B.Sc., and B.Com. Honours programs.

There are a total of 14 courses, each worth 6 credits, in the curriculum. These courses are divided into six semesters. In the first semester, students take CC-1 and CC-2. In the second semester, they take CC-3 and CC-4. In the third semester, students take CC-5, CC-6, and CC-7. In the fourth semester, they take CC-8, CC-9, and CC-10. In the fifth semester, students take CC-11 and CC-12. Finally, in the sixth semester, they take CC-13 and CC-14. Upon completion of all 14 courses, students will have earned a total of 84 credits.

The curriculum includes four courses worth 6 credits each in the DSE category. These courses are offered in the fifth and sixth semesters only. In the fifth semester, students take DSE-1 and DSE-2, while in the sixth semester, they take DSE-3 and DSE-4. Upon completion of all four DSE courses, students will have earned a total of 24 credits.

The curriculum includes four courses worth 6 credits each in the GE category. These courses are offered in the first through fourth semesters only. In the first semester, students take GE-1. In the second semester, they take GE-2. In the third semester, they take GE-3, and in the fourth semester, they take GE-4. There are no GE courses offered in the fifth or sixth semesters. Upon completion of all four GE courses, students will have earned a total of 24 credits.

The curriculum includes two courses worth 2 credits each in the AECC category. In the first semester, students take AECC-1, and in the second semester, they take AECC-2. There are no AECC courses offered in the third through sixth semesters. Upon completion of both AECC courses, students will have earned a total of 6 credits, which is 4 credits from the first course and 2 credits from the second course.

The curriculum includes two courses worth 2 credits each in the SEC category. These courses are offered only in the third and fourth semesters. In the third semester, students take SEC-1, and in the fourth semester, they take SEC-2. There are no SEC courses offered in the first, second, fifth or sixth semesters. Upon completion of both SEC courses, students will have earned a total of 4 credits.

The curriculum consists of a total of 26 courses, with the number of courses per semester ranging from 4 to 5. In the first and second semesters, students take 4 courses each. In the third and fourth semesters, they take 5 courses each. In the fifth and sixth semesters, students take 4 courses each. The total number of credits for the curriculum is not provided.

The curriculum has a total of 142 credits, with the number of credits per semester ranging from 20 to 26. In the first semester, students earn 22 credits. In the second semester, they earn 20 credits. In the third and fourth semesters, students earn 26 credits each. In the fifth and sixth semesters, they earn 24 credits each. The total number of courses in the curriculum is not provided.

For B.A./B.Sc./B.Com. [CBCS] Honours DSE Course, students are required to take two DSE courses each semester. Additionally, they are also required to take an AECC-1 course in ENVS and an AECC-2 course in either Communicative English, MIL (Bengali), or French.

Here are the subject combinations for B.Sc. Honours programs:

1. B.Sc. Honours (CC) in Botany with Chemistry as the Generic Elective Course (GE-1) in SEM-I & SEM-III, and Zoology as the GE-2 in SEM-II & SEM-IV.
2. B.Sc. Honours (CC) in Chemistry with Physics as the GE-1 in SEM-I & SEM-III, and Mathematics as the GE-2 in SEM-II & SEM-IV.
3. B.Sc. Honours (CC) in Computer Science with Mathematics as the GE-1 in SEM-I & SEM-III, and Physics as the GE-2 in SEM-II & SEM-IV.
4. B.Sc. Honours (CC) in Environmental Science with Chemistry as the GE-1 in SEM-I & SEM-III, and Zoology as the GE-2 in SEM-II & SEM-IV.
5. B.Sc. Honours (CC) in Geography with Mathematics as the GE-1 in SEM-I & SEM-III, and Physics as the GE-2 in SEM-II & SEM-IV.
6. B.Sc. Honours (CC) in Mathematics with Physics as the GE-1 in SEM-I & SEM-III, and Chemistry as the GE-2 in SEM-II & SEM-IV.

7. B.Sc. Honours (CC) in Physics with Mathematics as the GE-1 in SEM-I & SEM-III, and Chemistry as the GE-2 in SEM-II & SEM-IV.

8. B.Sc. Honours (CC) in Zoology with Chemistry as the GE-1 in SEM-I & SEM-III, and Botany as the GE-2 in SEM-II & SEM-IV.

Here are the subject combinations for a B.A. (HONOURS) degree program:

1. For Bengali Honours: Sanskrit or French in SEM-I & SEM-III (GE-1), and Political Science or French in SEM-II & SEM-IV (GE-2).

2. For English Honours: History or French in SEM-I & SEM-III (GE-1), and French or Philosophy in SEM-II & SEM-IV (GE-2).

3. For French Honours: English or Political Science in SEM-I & SEM-III (GE-1), and Political Science or Sanskrit in SEM-II & SEM-IV (GE-2).

4. For Economics Honours: Mathematics or Political Science in SEM-I & SEM-III (GE-1), and Political Science or Sociology in SEM-II & SEM-IV (GE-2).

5. For Geography Honours: Economics or Sociology in SEM-I & SEM-III (GE-1), and Sociology or Mathematics in SEM-II & SEM-IV (GE-2).

6. For History Honours: Political Science or English in SEM-I & SEM-III (GE-1), and English or Economics in SEM-II & SEM-IV (GE-2).

7. For Political Science Honours: Bengali or Philosophy in SEM-I & SEM-III (GE-1), and History or Bengali in SEM-II & SEM-IV (GE-2).

8. For Philosophy Honours: Bengali or Sanskrit in SEM-I & SEM-III (GE-1), and Sanskrit or Sociology in SEM-II & SEM-IV (GE-2).

9. For Sociology Honours: Political Science or English in SEM-I & SEM-III (GE-1), and Political Science or Economics in SEM-II & SEM-IV (GE-2).

10. For Sanskrit Honours: History or Philosophy in SEM-I & SEM-III (GE-1), and Philosophy or Bengali in SEM-II & SEM-IV (GE-2).

11. For Education Honours: Bengali or Sociology in SEM-I & SEM-III (GE-1), and Bengali or Philosophy in SEM-II & SEM-IV (GE-2).

According to the CBCS syllabus for B.A. (Honours) and B.Com. Honours (CC) programs, students are required to take a Generic Elective Course (GE-1) in Semester I and III, and another Generic Elective Course (GE-2) in Semester II and IV.

Note:

CC – Core Course, GE – Generic Elective, DSE – Discipline Specific Elective, AECC – Ability

Enhancement Compulsory Course, MIL – Modern Indian Language
